

the PIPER Focus

A little light reading for you

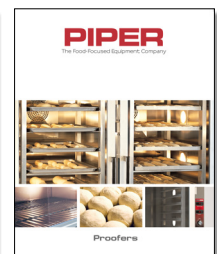

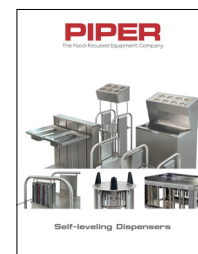

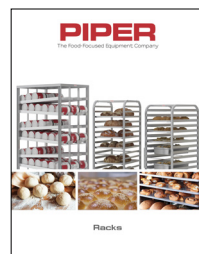

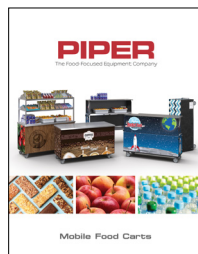

Enjoy these mini catalogs to help pass the time

Social distancing and self-quarantine have been a great strain on all of us. I have found that curling up next to the fire with a cozy blanket and a good book is a great way to pass the time. I've compiled a small list of some of my favorites that I thought you might enjoy. They are short reads, mini if you will, but as a series they tell a wonderful story.

- Elite and Reflections Options
- Merchandisers
- Mobile Food Carts
- Racks
- Cabinets
- Self-Leveling Dispensers
- Proofers

There are many more in the series too. I don't want to spoil anything, but you will love the characters!
